- Join the main agents of transformation that will co-create smart territories and cities in Latin America.

"It represents a specific opportunity of finding and connecting with a large amount of actors at all levels"

-Edgar Mora

Minister of Public Education of Costa Rica

"An event like this impacts as it adopts the principles of the new urban agenda that defines the objectives of urban development in Latin America"

-Elkin Velázquez

Director of the NU Habitat Regional Office for Latin America and the Caribbean

"One of the most important contributions of this event is knowing the experiences of other cities and transferring them to the rest of Latin America"

-Ezequiel Sabor

Argentinian ambassador to Mexico

"These events help that through the experience of who has done well, knowledge can be shared to be implemented in other cities and thus, have a better Latin America"

-Manuel Ricardo Pérez

Panamanian Ambassador to Mexico
